Sponsoring-Membership VTAD e.V.

Ladies and gentlemen,
thank you for your interest, to support the Association of German Technical Analysts, VTAD e.V.,
recognized as a non-profit association, as a sponsoring member.
The following is an excerpt of the Membership Regulations (MBO):

§ 4 Sponsoring Membership

Any natural and legal person may become a sponsor of the association upon request. The application for admission as a member must be addressed in writing to the Board of Directors, which then decides on the admission.

The sponsorship agreement ends with death or, in the case of legal persons, by loss of business capacity, with the resignation or with the exclusion by the Board of Management.

A sponsoring member may be excluded from the sponsorship membership if he intentionally violates the interests of the association. This is particularly the case if there is a serious violation of the Association's Professional Guidelines (MBO).

A natural person is listed as a representative of the sponsoring member as a member within the meaning of § 1 (1) of the MBO and represents the sponsoring member at general meetings. This person also receives all other benefits of a member, in particular the right to participate in the Regional Member-Meetings.

The sponsoring member promotes the objectives of VTAD e.V. with an annual contribution of currently 500 €.
